Before you buy

Make sure it's safe to travel to your destination

You need to check two things to make sure it's safe to travel at the time you purchase your *policy*.

- Check your destinations on www.safetravel.govt.nz. If a destination has a travel advisory of 'Do not travel' or 'Avoid non-essential travel', your cover will be affected
- Check if the destinations you're visiting have been in the news. If you book travel to somewhere that's been in the news for things that have already happened like *natural events*, your *policy* may not cover you

> [See Make sure it's safe to travel, page 26.](#)

Before you go

How to buy a policy

You can buy a *policy* online at: www.scti.co.nz. Alternatively, you can call us on **0800 800 571**.

If you wish to purchase a Working Overseas *policy* to cover a *journey* to Canada, UK or the USA on a working holiday visa for more than 12 months, you must call us prior to leaving New Zealand.

Double-check the information in your policy documents

With so much to plan, it can be easy to overlook mistakes. We recommend you double check:

- your latest *Certificate of Insurance*
- your medical assessment
- any special conditions we may have sent you (including any *Endorsement to your policy*) before your *journey*.

Make sure it's safe to travel to your destinations

You need to check two things before you start your *journey*.

- Check your destinations again on www.safetravel.govt.nz. If a destination has a travel advisory of 'Do not travel' or 'Avoid non-essential travel', your cover will be affected
- Check again to see if the places you're visiting have been in the news. If you travel to somewhere that's been in the news for things that have already happened like *natural events*, your *policy* may not cover you

> See [Make sure it's safe to travel, page 26](#).

Tell us if you may need to cancel or delay your journey

If something unexpected happens and you may need to delay or cancel your *journey*, you must do the following.

- Tell us as soon as possible as it may affect your cover
- Tell your service providers, such as your transport provider, hotel, and tour operator, as soon as possible

> See [D.2 Cancelling or changing your journey before you leave, page 49](#).

Tell us about any health changes

Tell us if the health of anyone listed on your *Certificate of Insurance* changes – no matter how big or small the change – so that we can tell you whether we'll offer you cover for the health changes.

> See [Tell us about changes to your health, page 27](#).

Make sure you have your policy details handy

You may need to check your *policy* or tell us your *policy* number while you're away. To help you do this, you could:

- take a printout of your *policy* with you
- keep the email we sent you that includes your *policy* information
- text yourself the *policy* number and the *Southern Cross Emergency Assistance* number: **+64 9 359 1600**.

While you're away

If any of your belongings are lost, stolen or damaged

You must tell the relevant authority, such as the local police, hotel security, or airline, and get a written report on the incident as soon as you can.

If your belongings were in the care of a service provider, such as a transport provider, hotel, or tour operator, file a claim with them first.

> See [D.4 Baggage and personal items, page 65](#).

If you are admitted to hospital, need surgery, or need medical treatment you expect to cost over \$2,000

- You or someone acting on your behalf must ask *Southern Cross Emergency Assistance* for prior approval.
- Phone: **+64 9 359 1600** (open 24 hours a day, 7 days a week).

If you need minor medical attention

- If treatment is minor, pay the medical provider then make a claim for assessment.

> **Remember – keep all receipts and any medical or dental notes.**

If you need to cut your journey short or change your journey

- If you're in an emergency and need help rearranging your *journey*, call *Southern Cross Emergency Assistance*.
- Phone: **+64 9 359 1600** (open 24 hours a day, 7 days a week).

> **Only use this number for emergencies, not for general queries or claims queries.**

A.

Your adventure starts here

Your *policy* is a contract of insurance between you and us that consists of all the following.

- This *policy* wording
- Your latest *Certificate of Insurance*
- Your medical assessment
- Any special terms and conditions we've sent you, including any *Endorsement to your policy*, that confirm any addition to or variation of your *policy*.

Read this policy carefully – check it's right for you

Make sure you read your whole *policy* so you can travel with peace of mind. As with all insurance contracts, there are limits to your cover. In particular, please make sure you understand:

- who can get cover on [page 8](#)
- what your *policy* covers on [page 9](#)
- the limits to your cover, and the terms and conditions, on [page 10](#)
- your responsibilities on [page 22](#)
- the general exclusions on [page 90](#)
- the losses we don't cover under each section.

We've designed this policy to cover you while you're temporarily living overseas and working, or on a working holiday. If you're travelling overseas to attend a work or business conference, this policy is not right for you.

If you have any questions, call us on **0800 800 571**.

Some words in this policy have specific meanings

If a word or phrase is in italics, it has a specific meaning.

In addition to the words in italics, the following words also have specific meanings:

- 'we', 'us', and 'our' means Southern Cross Travel Insurance
- 'you', 'your', and 'yourself' means the insured people named on your *Certificate of Insurance*.

To improve the readability of this document, these words have not been put in italics.

> [You can find the specific meanings of other defined words under **F. Definitions – words with specific meanings, page 101.**](#)

Headings in this document don't affect your cover

The headings in this document are to help you find relevant information. They don't affect the meaning or interpretation of any cover under this *policy*.

We use examples to help explain parts of your cover

When we use an example in this *policy*, it is to help you understand a particular concept, or how particular parts of your cover work. Other terms and conditions may apply when you make a claim, and the examples don't make up all the situations that may apply.

Who can get cover under this policy

You can only get cover under this *policy* if you meet all the criteria below.

- You are a New Zealand citizen or permanent resident or an Australian citizen or permanent resident who has resided in New Zealand for a period of at least 12 consecutive months at *date your insurance starts*
- You're eligible for funding for all public health and disability services in New Zealand
- You're aged 18 years or older and 65 years or younger on the *date your insurance starts* (unless you're the accompanied child of an insured adult)
- You're travelling to a destination outside of New Zealand
- You will return to New Zealand after finishing your *journey* (except if we have agreed in writing to cover you continuously for more than 12 months with a second *policy*, and you will return to New Zealand at the end of your *journey* under your second *policy*)
- You have had less than 60 months continuous cover across all previous Working Overseas policies except if you have returned to New Zealand for a minimum of 6 months
- You haven't been refused cover, had an insurance claim declined, or had an insurance *policy* cancelled or voided because of fraud
- You have a New Zealand bank account
- You have an email address we can use to contact you about your *policy*

When you buy this *policy*, you confirm that you meet these criteria at the *date your insurance starts*, and will keep meeting the criteria until the *date your insurance ends*.

If you don't meet all these criteria at the *date your insurance starts*, we treat your *policy* as void from that date, and don't cover any claims.

You must meet all the criteria for the entire *period of insurance*. If you stop meeting any of the criteria at any time, your *policy* will immediately end. From that date, we have no liability for any further claims, costs, or losses.

What work we cover

We cover you under this *policy* for most types of work, including:

- office-based roles
- manual work at ground level and not using powered machinery
- retail
- hospitality
- education
- healthcare.

> **This policy does not cover *Hazardous work*, see [E. General exclusions – things we never cover, page 90](#).**

What your policy covers

Your *policy* covers a wide range of losses that are caused by *unexpected events*. See the table on [page 10](#) for a summary of those losses.

An *unexpected event* is something that happens during your *period of insurance* and is all the following.

- Sudden, unforeseeable, or unintended
- Outside of your control
- Something you could not have reasonably expected or avoided

Examples of events that are not unexpected include events that have been in the news or a weather report before the *date your insurance starts*, like a storm that's on its way or severe floods. These would not be *unexpected events*. A reasonably well-informed person would have seen that these events could cause problems for travellers.

A summary of your cover

The table on [page 10](#) summarises the losses this *policy* covers – use it to help you decide if this *policy* is right for you. But it's just a summary, so you'll need to read the rest of this document to understand what you are – and are not – covered for.

All amounts in this *policy* are in New Zealand dollars and include Goods and Services Tax (GST) and other duties.

Points to note before you read this table

An excess is the first part of the claim for which you are responsible.

> **Learn more on [page 16](#).**

We base age-related benefits on your age at the *date your insurance starts*.

You can increase the amount of cover you have for your journey

This *policy* provides cover if you need to cancel or change your *travel arrangements* before leaving on your *journey* because of an *unexpected event*. When you buy this *policy*, you're covered for \$2,500 for each person.

When you buy this *policy*, you can choose to increase your cover up to an unlimited amount under [D.2 Cancelling or changing your journey before you leave \(page 49\)](#). Think carefully before you decide how much cover you need. To help you decide, make notes on what you've paid, or will have to pay before you leave, for the travel, accommodation, event tickets and tours you've booked.

For example, if there are two people on the *policy* and you chose a limit of \$5,000 for each person, but spend \$15,000 on your *journey*, the most you can claim is \$5,000 for each person if you cancel that *journey*.

You can add extra cover for specific items

This *policy* covers you for personal items you take with you but haven't told us about. We call these *unspecified* items. When we pay your claim for an *unspecified* item, we only pay up to the benefit limits in the table on [page 66](#).

You can increase the benefit limit for more valuable personal items by asking us to cover them as *specified* items. We've made it easy for you to specify items – from watches and jewellery to laptops and mobile phones. Learn more about cover for *specified* items on [page 67](#).

There are some items we never cover

Before you specify an item or decide if you want to take it with you, make sure it isn't something we would never cover.

> [See D.4.5 Other losses we won't cover, page 72 and E. General exclusions – things we never cover, page 90.](#)

Depreciation may apply to claims for your personal items

When you claim for a personal item, we may subtract the value the item has lost over time (depreciation). The table below shows how we apply depreciation to items.

Point to note

We pay the indemnity value for your personal items.

The indemnity value of an *unspecified* item means the original purchase price less depreciation. Depreciation is calculated monthly, from the date of purchase to the date of loss. Industry standard rates are used and take into consideration the items estimated useful life.

Type of personal item		Does depreciation apply?
<i>Unspecified</i> items		✓
<i>Specified</i> items	<i>Specified</i> items where you can't provide proof of ownership and value, as shown on page 67	✓
	Any other <i>specified</i> items where you can provide proof of ownership and value, as shown on page 67	✗

Check you're not already covered under another policy

We won't cover you for claims, costs, losses or liabilities if you have another insurance *policy* that already covers you. We won't contribute to any claim under any other *policy*. This applies to any section you claim under in this *policy*.

We recommend that you review any other insurance policies or sources you may be entitled to access before you add extra cover to this *policy*. This applies to any section you claim under in this *policy*.

Check any other insurance policies you have before you add extra cover for your *specified* items.

You can remove cover for your *specified* items and get a premium refund before the *date your journey starts*.

Choose the destinations you're travelling to

When you buy your *policy*, you must tell us which destinations you want to cover – including any transit stops where you'll leave the airport. You don't have to list:

- when it includes travel through New Zealand waters – see [D.11 Cruise cover on page 89](#)
- transit stops, when they're less than 24 hours and you'll stay in the airport – you're automatically covered in those airports.

We won't cover you for events outside of the airport in a destination that isn't listed on your *Certificate of Insurance*. You can change the destinations you have cover for before you set off on your *journey*. However, once you've departed on your *journey*, you can only add new destinations.

Some destinations may be free to add cover for. We may charge an additional premium for other destinations.

To change the destinations you have cover for, or if you're unsure which destinations you'll be travelling to, please call us on **0800 800 571** or email us at: info@scti.co.nz

Choose your excess

An *excess* is the first part of the claim, for which you are responsible. If an *excess* applies to a claim, we subtract that *excess* from the amount we pay.

When you apply for your *policy*, you can choose whether to have an *excess*. Your premium may be higher if you choose to not have an *excess*.

We only subtract one *excess* for each *unexpected event*. So, if an *unexpected event* means you need to claim under more than one section of this *policy*, we only subtract one *excess*. However, if more than one *unexpected event* affects you, we subtract an *excess* for each event.

You won't pay an *excess* on the following benefits:

- [D.1.11 Funeral expenses or return of mortal remains \(page 46\)](#)
- [D.6 Personal accident \(page 78\)](#)
- [D.7 Personal liability \(page 81\)](#)
- [D.8 Rental vehicle excess \(page 83\)](#).

How we work out what you need to pay for your policy

Your premium is the amount you must pay for your *policy*. We tell you how much your premium is when you apply for your *policy*. We base the premium on several things, including:

- the number of adults and *children* you want cover for, and how old they are
- which destinations you're travelling to
- how long you want cover for
- what *excess* you've selected
- whether you've added cover for any *pre-existing medical conditions* (see [page 28](#))
- whether you've increased the amount of cover you have under [D.2 Cancelling or changing your journey before you leave \(see page 49\)](#)
- whether you've added any *specified* items, and the value of those items (see [page 67](#)).

Your premium includes government duties and taxes, including Goods and Services Tax (GST), if applicable.

You'll need to pay a premium for children

We charge a premium for any *child* travelling with you.

Adults can travel independently, however a *child* is only covered if travelling with an adult who's covered by the *policy*.

How cover applies to the people on your journey

This cover applies separately to each person listed as an adult or *child* on your *Certificate of Insurance*. The maximum cover under each benefit is for each person.

If there's more than one person, all benefits, limits, conditions, and exclusions are as if we issued a separate *policy* to each of those people. However, if multiple claims arise from one event, we only apply any applicable *excess* once.

> [You can find the limits for your policy in the table on page 10.](#)

Example of how sublimits will apply

George is going on a working holiday overseas and buys a *policy* to cover himself and his partner Katie and their two *children* (Harry and Charlotte) on their *journey* and selects the \$0 excess option.

Example 1:

Harry, George, Katie and Charlotte have each paid \$10,000 for their overseas trip. George returns to New Zealand (on his own) early as his mum is admitted to hospital due to an existing condition – we refer to this as an *existing condition of a relevant person*.

The most George can claim to cut his *journey* short under section D.3 is \$2,500. He cannot pool Harry, Katie or Charlotte's \$2,500 limits to increase his limit to \$10,000.

Select your travel dates

You select the dates you will depart and return to New Zealand. You don't need to choose when your cover starts because it starts on the day you buy it.

> [Learn how your cover starts and stops on page 19.](#)

We may decide to offer you different cover, or refuse cover

When you apply for your *policy*, we can decide how and when to offer cover. We may decide to not offer you cover, or to offer you cover on different terms and conditions – even if you've had a *policy* with us before.

We may send you special terms and conditions in any of the following.

- Your *Certificate of Insurance*
- Your medical assessment
- Any *Endorsement to your policy*

If we do send you special terms and conditions, your cover will be determined by both:

- the terms and conditions in this *policy*
- the special terms and conditions we send you.

We email your policy documents when we accept your application

If we accept your application, we send you an email that confirms your cover. The email will include:

- a copy of this *policy*
- your *Certificate of Insurance* and medical assessment, which set out:
 - details of your *policy*
 - details of your medical cover and your answers to the medical questions
- any special conditions that apply to your *policy* (including any *Endorsement to your policy*).

These documents form your insurance contract.

We usually contact you by email

We send emails to the main policyholder using the email address you give us.

We use email to send you any important documents. If you don't want to share these important documents with the main policyholder, you'll need to buy a separate *policy*.

When we make decisions and set timeframes, we use the dates we send an email rather than the date it was delivered or received.

If you don't receive an email you're expecting, please check your junk mail first, then contact us.

If you're the main policyholder

If you're the main policyholder, you're responsible for:

- passing on any information we send you to the people named on your *Certificate of Insurance*
- any information you give us about people named on your *Certificate of Insurance*.

> [See Give us accurate and complete information, page 22](#)

For our records, if we contact the main policyholder, we've contacted everyone named on your *Certificate of Insurance*.

We keep your information private

Our privacy statement explains when and how we collect, hold, use, and disclose your personal information. You can find our privacy statement at: www.scti.co.nz/privacy

For example, we use the information about you to:

- decide whether we can cover you
- decide how much you should pay for cover
- process any claims.

We won't rent or sell your personal information to other companies.

If you would like to access or correct your personal information, please email us at: info@scti.co.nz

You have a 14-day free look period

If you cancel your *policy* within 14 days of buying it, you can get a full refund if you meet all the criteria below.

- You tell us you want to cancel within 14 days of buying your *policy*
- You haven't started your *journey*
- You haven't made a claim, and don't intend to make a claim

Tell us you want to cancel by calling **0800 800 571** or emailing us at: info@scti.co.nz

Refunds if you cancel after the 14-day free look period

If you cancel your *policy* after the 14-day free look period, you can get a full refund, but you'll need to pay a \$35 cancellation fee and meet all the criteria below.

- You haven't started your *journey* (you can't cancel your *policy* after the *date your journey starts*)
- You haven't made a claim or intend to make a claim

Tell us you want to cancel by calling **0800 800 571** or emailing us at: info@scti.co.nz

When your cover starts and stops

When you buy your *policy*, you select the dates relevant to your cover, this is your *period of insurance*.

Cancellation cover begins on the date the insurance starts

From the *date your insurance starts*, you have cover under D.2 Cancelling or changing your journey before you leave (see page 49). You don't need to choose when your cover starts. The *date your insurance starts* is the date and time you buy your *policy*. The rest of your cover starts when you leave on your *journey*.

When cover for your journey ends

Point to note

If you change your plans, and decide to stay overseas longer, you need to let us know.

If you change your plans and return to New Zealand early or choose to stay overseas longer, make sure you know when your cover for your *journey* ends. Cover for your *journey* ends at whichever is earliest:

- on the date and time of your final return to New Zealand
- on the *date your insurance ends*.

For example, if you return to New Zealand ending your *journey* early, cover for your *journey* stops at the date and time you arrive back. If you stay overseas longer, your cover stops on the *date your insurance ends*.

During your journey

Here's how your cover works if you visit home or take a holiday while working overseas.

Returning to visit New Zealand

You can return to New Zealand on multiple trips for up to 30 days, but you must hold a return ticket to your destination. Cover under your *policy* pauses when you arrive in New Zealand, except for claims related to [D.2 Cancelling or changing your journey before you leave](#) (see page 49).

You will receive cover under all sections of your *policy* when you leave New Zealand to return to your destinations you are covered for.

Taking a holiday

While on your *journey* to work overseas you can choose to take a holiday visiting other overseas destinations. However, you must let us know which destinations you are travelling to. Some holiday destinations we may cover for free. Other holiday destinations we may charge you an additional premium.

If you intend to spend the majority of your time overseas for leisure while on your *journey*, you may need to reconsider if this *policy* is right for you.

You must let us know where you are travelling on holiday. You will receive cover under all sections of your *policy* while on holiday except for claims related to [D.2 Cancelling or changing your journey before you leave](#) (see page 49).

> For more information see [Choose the destinations you're travelling to, page 15](#).

When we will – and won't – extend your cover

This part of the *policy* explains the circumstances where we can extend your *policy*.

We extend your cover at no charge if an unexpected event means you can't return home

If an *unexpected event* that we cover stops you from returning to New Zealand at the end of your *journey*, we can extend your cover at no charge if you call us at **0800 800 571** or email us at: info@scti.co.nz

When you contact us, we'll tell you in writing when your extended cover will end. This will form part of your insurance contract.

To keep getting cover, you must go along with any arrangements we make to get you back to New Zealand. If this is related to a medical event, you must return to New Zealand once we, or our medical team, say you're fine to travel.

Your cover stops if you decide to continue your *journey* or don't follow our arrangements.

> See [Tell us about changes to your health, page 27](#).

We do not offer extensions on this policy - you must purchase another policy

Unless an *unexpected event* prevents you from returning to New Zealand at the end of your *journey*, we do not offer an extension on your *policy*. However, you can purchase another *policy* while overseas that will begin after the *date your insurance ends* for your current *policy*.

If your health has changed during cover

If you have experienced *changes to your health* during your previous *policy*, we will consider these as *pre-existing medical conditions* under any additional *policy* you purchase.

Your new *policy* will automatically exclude these conditions, unless you:

- complete a medical assessment
- declare the health changes when buying your new *policy*.

We may be able to provide cover for your condition, and you may have to pay an additional premium for this cover.

The new *policy* will only cover you for an *unexpected event* related to your *pre-existing medical condition*. For example, we won't cover you for ongoing medical treatment costs that you knew about when you purchased the new *policy*.

> [See B. How we cover pre-existing medical conditions, page 28.](#)

You must be able to confirm that you meet the eligibility criteria at the *date your insurance starts* for your new *policy*, and will keep meeting the criteria until the *date your insurance ends*.

> [See Who can get cover under this policy, page 8.](#)

!

Point to note about purchasing cover while overseas

A 72-hour stand down applies if you purchase this *policy* while overseas. This means we won't cover any claims, costs or losses directly or indirectly arising from, related to or associated with an event that occurs during the 72 hours after the *date your insurance starts*.

If you need to purchase another *policy*, can buy it online at: www.scti.co.nz. Alternatively, you can call us on **0800 800 571** or email us at: info@scti.co.nz

Making other changes to your policy

You can ask us to change your *policy*. We decide whether to make any changes you ask for.

If we agree to make a change, we'll:

- tell you if you need to pay an extra premium
- tell you if we need to revise your *policy* or send you a new one
- email you to confirm the change and include your changed or new insurance documents.

The changes only take effect when we have sent the email confirming the change and we've received any extra premium.

If you return to New Zealand early, we won't shorten your *policy* or refund any premium.

Your responsibilities

As a condition of your cover, you must meet the following responsibilities. These responsibilities apply to all sections of this *policy*.

You must be reasonably careful

We expect you to take reasonable care to avoid or minimise a loss, and to take extra care of more valuable items.

Give us accurate and complete information

You must be honest and fair with us. All the information we get from you, or anyone acting on your behalf, about this *policy* and any claim must be honest, accurate and complete.

What we can do if you don't meet your responsibilities

If you don't meet the responsibilities above, we may:

- refuse to issue a *policy*
- decline any claim
- reduce our liability for any claim
- recover any amount we've already paid you for claims
- cancel this *policy*
- void this *policy* – this means treating your *policy* as though it never existed
- we may refuse to insure you in the future.

If we decide to cancel your *policy*:

- we'll do it by email
- we won't cover you or anyone listed on your *Certificate of Insurance* from the cancellation date in the email
- we may keep the premium you've paid for the *policy*
- we may refuse to insure you in the future.

If we decide to void your *policy*:

- we'll do it by email
- we'll treat the *policy* as if it had never existed, and won't cover you or anyone listed on your *Certificate of Insurance*
- we'll return the premium you paid for the *policy*
- you'll have to refund any amount we've already paid you for claims, if we ask
- we may refuse to insure you in the future.

Claiming and the claims process

It's stressful when things go wrong on a *journey*, so we've made it as straightforward as possible to make a claim. It's important that you tell us as soon as you become aware of any circumstances that may result in a claim.

Making your claim

You can make a claim online at: www.scti.co.nz/claims. Follow the prompts and upload your supporting documents. To avoid delays, make sure you have your supporting documents ready.

When you make your claim, we may ask you to complete an authorisation form. You must complete this form and return to us before we can assess your claim.

If you have any questions about making a claim, call us on **0800 800 571** or email us at: info@scti.co.nz

You can only claim for the same standard of travel and accommodation

If your plans change, you may have to book new flights or accommodation. If this happens, you can only claim for travel or accommodation that's the same standard you originally booked. For example, if you booked premium economy seats, we won't cover an upgrade to business class unless you get our permission first.

If you can't book the same standard of flights or accommodation, you must get our permission before you book a higher standard.

You have responsibilities at claim time

You're responsible for doing certain things described in this section before and after you claim, and after we accept your claim. These responsibilities apply to any section you claim under.

Before you claim

You must do all the following before you make a claim.

Tell us as soon as possible

Make a claim as soon as possible.

Prevent any further loss

You must take all reasonable steps to prevent further loss or liability. For example, you would not be taking all reasonable steps to prevent further loss if you:

- Knew you couldn't make your *journey*, but couldn't get a refund or credit because you didn't cancel straight away.
- Continued to pay towards your *journey* when you knew you had a change in your health that later affects your ability to travel.
- Received medical treatment in a private hospital in a country where you could have received free or subsidised medical treatment under the public health system.

Get written reports for medical events

For minor medical events, you pay the costs yourself and submit a claim for assessment. Get a medical report from your medical professional and a copy of any prescriptions you're given. You'll need to submit these with your claim along with your receipts for the payments.

For major medical events, we'll work with you or the hospital to get the information we need to decide cover, so it's important that you, or someone acting for you, call *Southern Cross Emergency Assistance* as soon as you can on **+64 9 359 1600**.

Get written reports for lost, stolen or damaged items

If your items are lost, stolen or damaged, you must report it to the relevant authorities, such as the police or your airline operator as soon as possible, and get a written report from them. If you don't report lost or stolen items to the relevant authorities, we won't pay your claim.

For any claims relating to a lost or stolen mobile phone or device with phone capabilities, you must block the International Mobile Equipment Identity (IMEI) number. You must also send us proof that this IMEI number has been blocked, or confirmation from your provider confirming that it can't be blocked.

Claim refunds, credits, payments, or compensation from anyone else, if you can

You must seek refunds, credits, payments, or compensation from other parties for the loss you're claiming. For example:

- an airline might give you a refund or a credit
- your credit card provider might give you a refund
- you may be able to claim against a hotel, a transport provider (an airline, ferry operator, or bus company), or travel and tour operator.

If we accept your claim, we'll pay the difference between your cover and any other refunds, credits, payments, or compensation you've received.

Both of the following must apply.

- You've got any other refunds, credits, payments, or compensation for the loss
- Your claims against anyone else have been decided

We'll ask you to prove that you can't get a refund, credits, payments, or compensation for any costs you're claiming.

If you have other insurance, we won't pay your claim.

Preserve anything that is part of the claim

Don't destroy, dispose of or have repaired anything that is or could be part of the claim.

Once you have claimed

You must do all the following once you've made a claim.

Follow our instructions

Do what we ask you to do and give us the information and help that we need. We may decide to not pay your claim if you don't do what we, or *Southern Cross Emergency Assistance*, ask you to do.

Provide us with proof to support your claim

Send us proof to support your claim. Each benefit requires specific evidence that's needed to prove your claim. You'll need to refer to the benefit you're claiming under to understand what you need to send to us.

Give us necessary documents and authority to act

Give us all necessary documents and authority so that we can deal with your claim. For a claim under D.7 Personal liability (page 81), you must let us take over, and conduct in your name, the defence or settlement of any claim, and give us full discretion in the handling of any legal proceedings.

If someone is claiming against you, refer them to us

If someone is making a claim against you, don't admit any liability. Instead, let us know about the situation and follow our advice.

Once we've accepted your claim

You must do all the following once we've accepted your claim.

Help us recover money from someone else, if we ask

We have the right to take action to get money back from a person or company that caused a loss you've claimed for under your *policy*.

We'll pay for any action and may:

- act in your name to get money back from other parties
- take over defending an action that other parties are carrying out against you
- defend and settle any claim against you.

You must not start any action against other parties without our written permission. 'Action' includes incurring expenses and negotiating, paying, settling, or agreeing on compensation.

You must help us by:

- answering our questions and giving us any information we ask for
- cooperating with us and anyone else we appoint to help us recover the money.

If we pay you for a damaged item, send it to us

Where we pay your claim for a damaged item, it becomes ours. If we ask, you must send it to us, at our cost.

Tell us if your lost or stolen property is recovered

If any lost or stolen items that you claimed for are found, you must tell us. Then we'll decide whether you must give us the recovered items, or refund any money we paid you for them.

What we can do if you don't meet your responsibilities

If you don't meet the responsibilities under this section 'You have responsibilities at claim time', we may:

- decline any claim
- reduce our liability for any claim
- recover any amount we've already paid you for claims
- cancel this *policy*
- refuse to insure you in the future.

If we cancel your *policy*:

- we'll do it by email
- we won't cover you or anyone listed on your *Certificate of Insurance* from the cancellation date in the email
- we may keep the premium you've paid for the *policy*
- we may refuse to insure you in the future.

Some advice before you go

Make sure it's safe to travel

You must make sure it's still safe to travel to your destinations by checking for travel advisories on the SafeTravel website www.safetravel.govt.nz

Your *policy* may be affected if the travel advisory on the SafeTravel website is 'Do not travel' or 'Avoid non-essential travel'.

You need to check this when you buy your insurance, again before you start your *journey*, and before leaving for each new destination.

The table below shows how travel advisories affect your *policy*.

Type of travel advisory	Effect on your policy
A travel advisory that affects just part of a country	You won't be covered for events in that part of the country that relate to that travel advisory.
A travel advisory that affects the whole country	You won't be covered for events anywhere in that country that relate to that travel advisory.

Multiple travel advisories may apply to a country. For example, the Ministry of Foreign Affairs and Trade (MFAT) may issue an entire country with a travel advisory because of kidnapping threats. In addition, a city in that country may be experiencing civil riots which results in MFAT issuing a partial travel advisory to that specific area.

Your cover may be impacted if you buy your *policy*, then your destination is given a travel advisory before you leave for that destination, including if you are already overseas at the time the travel advisory is issued.

To find out how you are covered if a travel advisory changes for a destination on your *journey*, call us on **0800 800 571**.

Tell us about changes to your health

This *policy* doesn't automatically cover *changes to your health* after the *date your insurance starts* other than where you qualify for cover under D.2 Cancelling or changing your journey before you leave (page 49).

However, if you contact us to complete a medical assessment, we may be able to offer you cover for these changes.

Contact us if you want to make a complaint

If you're unhappy with any part of your insurance, or the service we've provided, please let us know.

We take complaints seriously and do our best to resolve them.

You can call us on **0800 800 571**, or email us at: info@scti.co.nz

If we can't resolve your problem after you first contact us, we'll ask you to follow our internal complaint process – see: www.scti.co.nz/complaints

If you're not satisfied with the result of your complaint, you can take it to the independent Insurance & Financial Services Ombudsman Scheme. You can find out more about the Ombudsman Scheme at: www.ifso.nz

We have a vulnerable customer policy

You can access our vulnerable customer statement (including how we support customers in a family violence situation) on our website at: www.scti.co.nz/vulnerable

New Zealand law applies

Any legal disputes about this *policy* will be decided under New Zealand law.

B.

How we cover pre-existing medical conditions

This section applies to any claim under this *policy*. It explains how and when we can cover:

- *illnesses, injuries, and health symptoms* that you knew about when you applied for your *policy* – we call these *pre-existing medical conditions*
- changes to your *pre-existing medical conditions* after you buy your *policy*
- any new *illness, injury, or health symptom* that you discover after the *date your insurance starts* and before the *date your journey starts*.

> **The terms and conditions in this section apply when you a make claim under [D. What is and isn't covered \(see page 37\)](#).**

Pre-existing medical conditions

We don't automatically cover any pre-existing medical condition

The *policy* doesn't automatically cover your *pre-existing medical conditions*. However, if you complete a medical assessment, we may be able to offer you cover for your *pre-existing medical conditions*.

We won't cover undiagnosed pre-existing medical conditions at all

We won't cover undiagnosed *pre-existing medical conditions*. For example, if you're experiencing stomach pains but the medical professionals don't know why, or you're awaiting test results, we won't cover those symptoms.

What we consider a pre-existing medical condition

A *pre-existing medical condition* is any *illness, injury, or health symptom* to which all the following apply.

- You know about it, or a reasonable person should have known about it before the *date your insurance starts*
- In the 3 years before the *date your insurance starts*, any of the following applied.
 - You sought or received medical help
 - Someone recommended you seek or receive medical help
 - A reasonable person would have sought or received medical help
 - You were waiting for medical help

In this definition, 'medical help' means any of the following.

- Advice from a health professional
- Tests, investigations, or specialist consultations
- Care, treatment, or medical attention, including surgery
- Medication or a script for medication

An *illness, injury or health symptom* doesn't need a confirmed medical *diagnosis* to count as a *pre-existing medical condition*.

We treat pregnancy complications as pre-existing medical conditions

If you have had any pregnancy complications in the three years before the *date your insurance starts*, we consider these complications to be *pre-existing medical conditions*. If you experience those same complications, we won't automatically cover you, so if you want cover, you should apply.

Examples of pregnancy complications include:

- pre-eclampsia
- recurrent miscarriage (that is, three or more consecutive miscarriages)
- small for date baby
- postnatal depression.

We may be able to cover you for pre-existing medical conditions

If you complete a medical assessment, we may be able to offer you cover for your *pre-existing medical conditions*.

Changes to health

We don't automatically cover changes to your health other than under D.2 Cancelling or changing your journey before you leave

This *policy* doesn't automatically cover *changes to your health* other than under D.2 Cancelling or changing your journey before you leave (see page 49).

If there's a *change to your health* before your *journey*, we may cover you under D.2 Cancelling or changing your journey before you leave (page 49), even if we can't cover that condition on your *journey*.

We only cover you under D.2 Cancelling or changing your journey before you leave (page 49) if medical advice states that you are not medically fit to travel on your *journey* as it was originally arranged.

Unless you contact us and we confirm otherwise, we won't cover any payments you make after you become aware, or a reasonable person would have been aware, of any *changes to your health*.

We won't cover undiagnosed changes to your health at all

We won't cover undiagnosed *changes to your health*. For example, if you're experiencing stomach pains but the medical professionals don't know why, or you're awaiting test results, we won't cover those symptoms.

What we consider to be changes to health

A *change to your health* before you travel is any new *illness, injury or health symptom*, or change to a *covered condition*, to which all of the following apply.

- It occurs between the *date your insurance starts* and the *date your journey starts*
- You know about it, or a reasonable person should know about it
- Any of the following apply.
 - You seek or receive medical help
 - Someone recommends you seek or receive medical help
 - A reasonable person would seek or receive medical help
 - You are waiting for medical help

In this definition, 'medical help' means any of the following.

- Advice from a health professional
- Tests, investigations or specialist consultations
- Care, treatment, or medical attention, including surgery
- Medication or a script for medication

A new *illness, injury, health symptom*, or change to a *covered condition* doesn't need a confirmed medical *diagnosis* to count as a *change to your health*.

Changes to a *covered condition* include any change in the prognosis, treatment or medication (including dose).

We may be able to cover you for changes to your health before you travel

If you contact us to complete a medical assessment, we may be able to offer you cover for these *changes to your health*.

Before you travel, we recommend getting your *doctor* to check for any new health conditions or symptoms you or anyone travelling may have. If your *doctor* tells you of any new *illness, injury, health symptom*, or change to a *covered condition* before the *date your journey starts*, contact us to see if we can offer cover.

How to apply to cover your pre-existing medical condition, or changes to your health, under section D

To apply for cover for your *pre-existing medical condition* or *changes to your health* you must both:

- complete the medical assessment when you apply for cover
- tell us about all your *pre-existing medical conditions* or *changes to your health* when you complete the medical assessment.

We need to know the name of the health condition or *health symptom* of your *pre-existing medical condition* or *changes to your health* when you apply. If you're unsure, check with your *doctor* first. If you don't tell us about all your *pre-existing medical condition* or *changes to your health* it could affect your cover when you submit a claim.

You must tell us about all your pre-existing medical conditions or changes to your health, not just some

If you choose to tell us about one *pre-existing medical condition* or *changes to your health*, you must tell us about all your *pre-existing medical conditions* or *changes to your health* when you apply for cover and complete the medical assessment.

If you don't tell us about any pre-existing medical conditions or changes to your health, we won't cover them

If you don't tell us about your *pre-existing medical conditions*, we won't cover anything related to them.

If you don't tell us about *changes to your health*, we'll only provide the cover available under [D.2 Cancelling or changing your journey before you leave \(page 49\)](#).

Call us about your pre-existing medical condition or change to your health, if you're unsure

Making sure you have the right cover for your health is important to us. If you have any questions, call us on **0800 800 571**.

You can accept or decline our offer to cover you for a pre-existing medical condition or change to your health

If we offer to cover any of your *pre-existing medical conditions* or *change to your health* which you tell us about in your medical assessment, you can choose to accept or decline our offer.

If you accept our offer, you may need to pay an extra premium

You may need to pay an extra premium if you accept our offer. When we receive that premium, we send you an email confirming the *pre-existing medical conditions* or *change to your health* we have agreed to cover. Your medical assessment will list them as *covered conditions*.

If you decline our offer, we won't cover your pre-existing medical conditions

You won't need to pay any extra premium if you decline our offer. We'll send you an email confirming that we're not covering your *pre-existing medical conditions* or *change to your health*. Your medical assessment will list these as *excluded conditions*. We won't cover any claims for anything related to your *excluded pre-existing medical conditions* or *change to your health*.

We may be unable to cover your condition

If we're unable to cover your *pre-existing medical conditions* or *change to your health*, we'll send you an email confirming this. Your medical assessment will list those *pre-existing medical conditions* or *change to your health* as *excluded conditions*.

We won't pay any claims for anything related to your *excluded pre-existing medical conditions* or *change to your health*.

We won't cover changes or cancellations for expected medical procedures – even if they're for covered conditions

If you need to claim because of a medical procedure you were on a waiting list for or scheduled to receive before *the date your insurance starts*, we won't cover you under:

- [D.2 Cancelling or changing your journey before you leave \(page 49\)](#)
- [D.3 Changes to your journey once you have left \(page 56\)](#).

This exclusion applies even if the condition you are having the medical procedure for is listed on your medical assessment as a *covered condition*.

We may cover journey changes caused by the ill-health of someone important to you

A *relevant person* is a person who's important to you but isn't named on your *Certificate of Insurance* and is one of the following.

- A member of your *immediate family*
- Your travel companion
- A person directly related to the primary purpose of your *journey*

Point to note

Take the health of any relevant people into account when you plan your *journey* and choose your cover. We only provide limited cover for changes or cancellations caused by sudden unexpected changes in a *relevant person's* health.

You can make a claim under [D.2 Cancelling or changing your journey before you leave \(page 49\)](#), or [D.3 Changes to your journey once you have left \(page 56\)](#), if the health of a *relevant person* unexpectedly gets worse, resulting in any of the following.

- Their death
- Their admission to a public or private hospital, for inpatient care as part of non-elective treatment
- A *doctor* recommending their admission to a public or private hospital for inpatient care as part of non-elective treatment
- Their admission to end-stage palliative care
- A *doctor* recommending their admission to end-stage palliative care
- Their *diagnosis* of a *terminal condition*
- Their *diagnosis* of a condition that needs radiotherapy or chemotherapy

The *relevant person* must also not be over 85 years old before the *date your insurance starts*.

C.

How we cover pregnancy

This section explains how we cover pregnancy under section D.

We cover you for costs or losses related to pregnancy

We cover routine prenatal care

We provide cover for pregnancy beyond the 24th week of gestation for routine prenatal care under [D.1.5 Maternity care \(page 41\)](#).

We cover complications of pregnancy under medical and evacuation

This *policy* automatically covers pregnancy up until the 24th week of gestation (the first 23 weeks and 6 days). Gestational age is measured in weeks and days from the first day of your last menstrual period or from staging ultrasound. We provide this cover for a single pregnancy, a multiple pregnancy (such as twins or triplets) and a pregnancy through fertility treatment, as long as the pregnancy had no complications before you bought your *policy*.

We'll cover medical expenses related to pregnancy including:

- overseas childbirth up until the 24th week (the first 23 weeks and 6 days)
- neo-natal care of the above new-born child up until 28 days after birth.

> [For details on how we cover you, see D.1 Cover for medical and evacuation \(page 37\), D.2 Cancelling or changing your journey before you leave \(page 49\), and D.3 Changes to your journey once you have left \(page 56\).](#)

We won't cover anything excluded under [D.1.14 Other losses we won't cover under all benefits in Section D.1 \(page 48\)](#).

We treat pregnancy complications as pre-existing medical conditions

If you have had any pregnancy complications in the three years before you bought your *policy*, we consider these complications to be *pre-existing medical conditions*. If you experience those same complications, we won't automatically cover you.

Examples of pregnancy complications include:

- pre-eclampsia
- recurrent miscarriage (that is, three or more consecutive miscarriages)
- small for date baby
- postnatal depression.

You can apply for cover under section D for pregnancy complications

To apply for cover for pregnancy complications you've had in the last 3 years, you must do all the following.

- Complete the medical assessment when you apply for cover
- Tell us about all your *diagnosed pre-existing medical conditions*
- Pay any extra premium and have us confirm your cover in writing

> **For more information about *pre-existing medical conditions*, see [How to apply to cover your pre-existing medical condition, or changes to your health, under section D on page 30](#).**

How we cover changes to your journey for serious medical complications

You can claim under [D.2 Cancelling or changing your journey before you leave \(page 49\)](#), or [D.2.1 Cancelling or changing your journey \(page 49\)](#) if there are serious medical complications with your pregnancy.

Your obstetrician, genetic councillor, or vocationally registered medical practitioner (obstetrics) must say one of the following things in writing.

- You're not *fit to travel* on your booked itinerary because of a serious medical complication related to you or your unborn child
- It's unsafe, or medically inadvisable, for the health of your unborn baby for you to travel on your booked itinerary

We won't cover *pre-existing medical conditions* relating to pregnancy unless we agreed to cover them when you applied for this *policy*.

We pay for you to get back home to support a relevant person who is pregnant

If you're on your *journey*, you can make a claim under [D.3.3 Cutting your journey short \(page 59\)](#) if both of the following apply.

- A *relevant person* is admitted to hospital because of their pregnancy
- A *relevant person* is within 24 weeks of conception

If the pregnant *relevant person* has any *pre-existing medical conditions*, the terms that apply to the *existing condition of a relevant person* would apply. Learn more about those terms under [We may cover journey changes caused by the ill-health of someone important to you \(page 33\)](#).

D.

What is and isn't covered

This section explains the details of your *policy*: when you are covered and when you are not.

D.1

Cover for medical and evacuation

This section explains cover for medical treatment and evacuation because of an *unexpected event* on your *journey*.

When you need to check with us before you start medical treatment

You need to let us know about major, but not minor, treatment.

Contact us if you need serious, or expensive medical treatment

You may not be able make a claim if you don't get our approval first. You, or someone acting for you, must contact *Southern Cross Emergency Assistance* as soon as possible if you need serious medical attention.

You must get our approval if you:

- are admitted to hospital
- need surgery
- expect your medical and related expenses to be more than \$2,000.

You don't need to get our approval for minor medical treatment

If you need to see a medical professional or get minor medical treatment that's under \$2,000, you should pay for it and submit a claim for assessment.

Don't forget to keep all receipts, bills, medical reports and any other documents that could support your claim.

You can claim online at: www.scti.co.nz/claims

We are not responsible for standards of medical care

Some overseas countries may have lower medical standards and services than New Zealand.

We are not responsible for the standard of any medical services you get while you are overseas.

D.1.1 Medical and evacuation

We'll cover your actual and reasonable medical expenses if you need medical treatment because of an *unexpected event* during your *journey*.

If we have confirmed that your medical expenses are covered, and you are deemed medically fit to travel by *Southern Cross Emergency Assistance*, we can pay to:

- repatriate you to New Zealand
- evacuate you to another country that we choose for further treatment.

If you need medical evacuation, or repatriation to New Zealand, because of an *unexpected event* during your *journey*, we'll cover:

- your medical evacuation costs if we need to move you to another location for necessary medical treatment
- your repatriation costs to bring you back to New Zealand.

We only cover you if one of the following applies.

- Your *policy* covers your medical treatment
- Your *policy* would cover your medical treatment, but a public health service already covers it

Your claim must meet the conditions of cover on [page 39](#).

We subtract an excess from claims we pay under this section.

Conditions of cover

We only cover your claims if you follow any instructions we make to evacuate you to another medical facility or repatriate you to New Zealand. We'll only ever ask to do this if you are medically fit to travel.

We won't cover any further medical treatment after the date and time we would have moved you, if you refuse to be evacuated or repatriated.

The following conditions also apply to all claims under this section.

- You must, in our opinion, be medically fit to travel with or without an upgrade to your *travel arrangements*
- We'll decide whether to medically evacuate you to another location, or repatriate you to New Zealand. This includes when, where, and how we'll do it
- If we have to repatriate you to New Zealand, we'll try to use your original return ticket. If we can't re-book the ticket, you must try to get a refund and return it to us. If the refund is more than the cost of returning you to New Zealand, you keep the difference between the cost and the refund
- If you don't hold a return ticket to New Zealand, we'll deduct the cost of a one-way fare to New Zealand from any payment made under this section of the *policy*. The cost will be a one-way economy fare from your original carrier for the return route we use, as published on the date we finalise your claim or the date we make your arrangements. You must give us the full itinerary that you got from your transport providers so that we can confirm your flight details with your carrier
- If we cover the cost of your repatriation to New Zealand, there is no cover for any unused prepaid costs of your original return *travel arrangements* to New Zealand

What we won't cover

We won't cover any claims, costs or losses directly or indirectly arising from, related to or associated with the following.

- Check-ups or treatment when no symptoms, *illness* or *injury* were under investigation
- Over-the-counter treatments or medications that are available without a prescription
- Preventative treatment (including but not limited to contraception and vaccines)
- Fertility treatment
- Medical expenses incurred directly or indirectly due to a treatment error by a medical provider

- Embalming your body, cremating your body, or both

 - returning your remains to New Zealand
- Flying an *immediate family* member to the place you died, on a scheduled return economy flight, to help make these arrangements

Your claim must meet the conditions of cover below.

We pay up to \$50,000 to the estate of each deceased person.

We won't subtract an *excess* from claims we pay under this section.

Conditions of cover

We don't require evidence that your death was caused by an *unexpected event*, however we only cover you if someone can give us satisfactory evidence of your death.

What we won't cover

We won't cover any claims, costs or losses directly or indirectly arising from, related to or associated with the following.

- A *terminal condition* you knew about before the *date your journey starts*

D.1.12 Replacement staff

We'll cover return airfares for a replacement staff member to complete the work you were originally sent overseas to do. We'll do this only if our medical advisers have confirmed it's medically necessary for you to be hospitalised for an extended period or repatriated to New Zealand.

Your claim must meet the conditions of cover below.

We pay up to \$15,000 for each person.

We subtract an *excess* from claims we pay under this section.

We only cover you if all of the following apply.

- Your *policy* covers your medical treatment
- Your *illness* or *injury* occurs within 30 days of the *unexpected event*
- An *unexpected event* during your *journey* caused your *injury*

D.1.13 Repatriation benefit

If you need to be repatriated to New Zealand because of an *unexpected event*, we'll cover actual and reasonable costs incurred at your destination that you wouldn't otherwise have needed to pay. These include:

- early termination fees
- payment towards rent during your notice period (up to 4 weeks).

We pay up to \$5,000 for each person.

We subtract an *excess* from claims we pay under this section.

Conditions of cover

We'll only cover you if we've confirmed it is medically necessary to repatriate you to New Zealand under D.1.1 Medical and evacuation (page 38)

If during this period you have losses relating to unused prepaid accommodation or travel, we'll consider these losses under section D.3 Changes to your journey once you have left (page 56). We'll take into account the amount we have paid under this benefit, and will only cover any losses over and above this amount

You must provide proof of any costs you have incurred due to being repatriated.

**What we won't cover**

We won't cover any claims, costs or losses directly or indirectly arising from, related to or associated with the following.

- Anything excluded under D.1.14 Other losses we won't cover under all benefits in Section D.1 (see below)
- Anything excluded under E. General exclusions – things we never cover (page 90)

D.1.14 Other losses we won't cover under all benefits in Section D.1**What we won't cover**

We won't cover any claims, costs or losses directly or indirectly arising from, related to or associated with the following.

- You, or someone acting for you, didn't contact *Southern Cross Emergency Assistance* and get our approval before you started medical treatment that was likely to cost more than \$2,000
- You had private medical treatment when public treatment was available, for example under a reciprocal health agreement with New Zealand
- Childbirth that occurs after the 24th week (i.e. later than 23 weeks and 6 days) and any associated neo-natal care

D.2

Cancelling or changing your journey before you leave

The maximum amount we pay for all claims under this section is the amount you selected. This is shown on your *Certificate of Insurance*. Standard cover is \$2,500 for each person, and you can pay extra for \$5,000, \$10,000 or unlimited cover.

The following sublimits also apply.

- For any claim under this section involving the *existing condition of a relevant person*, we pay up to \$2,500 for each person
- For any claim under [D.2.2 Delayed journey to a special event \(page 52\)](#), we pay up to an extra \$2,500 for each person

We subtract an *excess* from claims we pay under all benefits in this section.

D.2.1 Cancelling or changing your journey

We cover you if you need to cancel or change your *travel arrangements* before your *journey* because of an *unexpected event*.

For each type of travel expense, we will pay you the higher of the following.

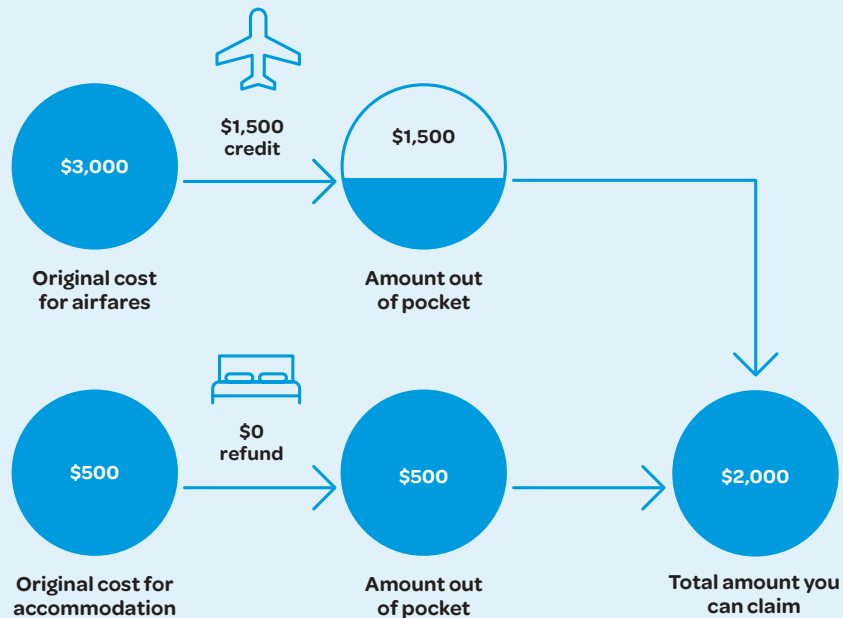

- The total value of your original unused prepaid costs, less any refund or credits you are eligible to receive
- The total value of your additional costs, less any refund or credits you are eligible to receive

Your claim must meet the conditions of cover on [page 52](#).

We pay you up to the amount shown on your *Certificate of Insurance*. The sublimits under [D.2 Cancelling or changing your journey before you leave](#) also apply – see above.

Example: Cancelling your journey

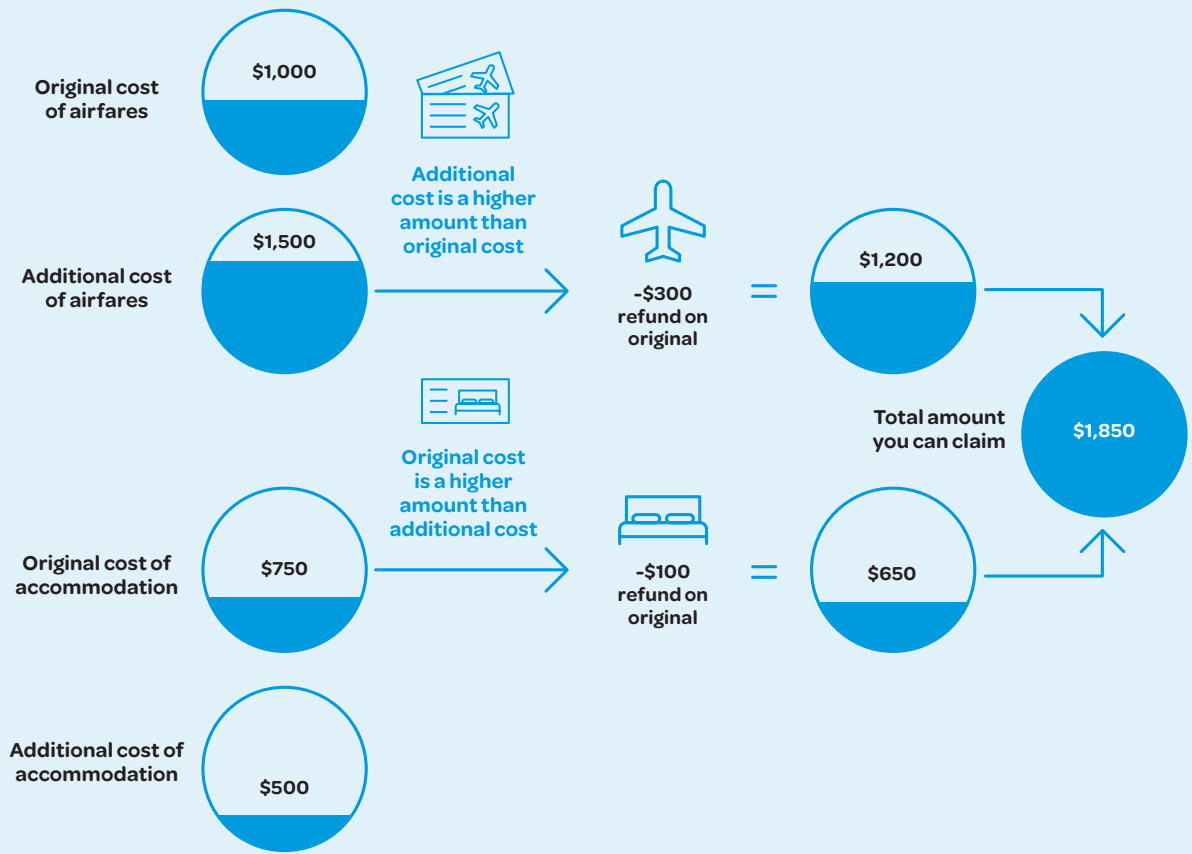

You've paid \$3,000 for airfares and \$500 for accommodation. An *unexpected event* means you need to cancel your *journey*. Your airline gives you \$1,500 credit for the unused airfares. You can't get any refund for your accommodation. This means you can claim \$1,500 for your unused airfares and \$500 for your unused accommodation. This would put you back to your original financial position.

Example: Changes to your journey

You've paid \$1,000 for airfares and \$750 for accommodation. An *unexpected event* means you need to change your *journey*. You have to spend an extra \$1,500 on new airfares and \$500 on accommodation to continue your *journey*. Your airline gives you a \$300 refund for the unused original airfares and your accommodation gives you a \$100 refund.

This means you can claim \$1,200 for your additional airfares and \$650 for your original unused accommodation, a total of \$1,850. This would put you back to your original financial position.

Conditions of cover

Everything under [D.2.3 Conditions of cover for cancelling or changing your journey before you leave \(page 54\)](#) applies to all claims under this section.

What we won't cover

We won't cover any claims, costs or losses directly or indirectly arising from, related to or associated with the following.

- Anything considered unreasonable. For example, when your airline offers you a free flight, but you decide to buy a different flight that gets you to your destination only a few hours before the free flight. However, we may cover these extra costs if they relate to a *special event* – see [D.2.2 Delayed journey to a special event \(page 52\)](#)
- Anything excluded under [D.2.4 Other losses we won't cover if you need to change your plans before you leave \(page 55\)](#)
- Anything excluded under [E. General exclusions – things we never cover \(page 90\)](#)

D.2.2 Delayed journey to a special event

If you need to change your *travel arrangements* before your *journey* because of an *unexpected event*, we'll cover the extra costs to get you to your destination as quickly as possible so you can attend a *special event*.

For example, if your airline offers you a free flight but you decide to take a different flight that gets you to your destination a few hours earlier so that you don't miss a *special event*, we'll pay those extra costs.

Your claim won't be covered under [D.2.1 Cancelling or changing your journey \(page 49\)](#) because the costs or losses are unreasonable as your airline has offered you a free flight.

For each type of travel expense, we will pay you the higher of the following.

- The total value of your original unused prepaid costs, less any refund or credits you are eligible to receive
- The total value of your additional costs, less any refund or credits you are eligible to receive

Your claim must meet the conditions of cover on [page 53](#).

We pay you up to \$2,500 for each person.

Example: Delayed journey to a special event

You've paid \$2,000 for airfares to a friend's wedding. The airline cancels the flight and offers an alternative flight in two days' time at no additional cost. However, this means you would miss your friend's wedding.

You find flights on another airline that would get you there in time and at an additional cost of \$2,500. If you take this option, the original airline will only refund you \$500. You don't have cover under [D.2.1 Cancelling or changing your journey \(page 49\)](#) because the costs are unreasonable since the airline offered you an alternative flight in two days' time. Since you're travelling to a *special event*, we'll cover you up to the benefit limit towards the new flights.

Your additional costs are higher than your original costs. This means you could claim \$2,000 – your additional costs of \$2,500, less the \$500 refund. This would put you back to your original financial position.

**Conditions of cover**

We only cover you if the event can't be delayed or rescheduled.

Everything under [D.2.3 Conditions of cover for cancelling or changing your journey before you leave \(page 54\)](#) also applies.

**What we won't cover**

We won't cover any claims, costs or losses directly or indirectly arising from, related to or associated with the following.

- If a reasonable person in your situation would have expected your plans to change
- Anything excluded under [D.2.4 Other losses we won't cover if you need to change your plans before you leave \(page 55\)](#)
- Anything excluded under [E. General exclusions – things we never cover \(page 90\)](#)

D.2.3 Conditions of cover for cancelling or changing your journey before you leave

The following conditions apply to all claims under this section.

- You can't claim for the same *unexpected event* more than once for each *journey*
- The *unexpected event* must directly affect you or a *relevant person*
- From any claim we pay you, we subtract all refunds (including taxes) and credit you can receive from third parties
- You must either send us proof of any refunds or credits you get, or prove you can't get refunds or credits

For claims involving a *relevant person*, the following conditions also apply.

- In claims that have arisen because of an *unexpected event* involving a *relevant person's* circumstances, we only cover the following *unexpected events*.
 - The *relevant person* dying
 - The *relevant person* being admitted to a public or private hospital for inpatient care as part of non-elective treatment, or a *doctor* recommending that they are
 - The *relevant person* being admitted to end-stage palliative care, or a *doctor* recommending that they are
 - The *relevant person* being *diagnosed* with a *terminal condition*, or a condition that requires radiotherapy or chemotherapy
- The *relevant person* must also not be over 85 years old before the *date your insurance starts*

D.2.4 Other losses we won't cover if you need to change your plans before you leave

What we won't cover

We won't cover any claims, costs or losses directly or indirectly arising from, related to or associated with the following.

- If a reasonable person in your situation would have expected your plans to change
- You decide you don't want to travel, you are disinclined to travel or you change your mind
- You booked a *journey*, even though you knew you were on a waiting list for a medical procedure and could get a date that would clash with your *journey* dates
- You, or someone acting for you, didn't tell your service provider about a problem quickly enough, so you lost a deposit, were charged more, or your refund or credit amount was reduced
- Your failure to check in or board at the right time for a *scheduled transport* service
- Your failure to get the bookings, tickets, passport, visas, visa waivers, Electronic System for Travel Authorisation (ESTA) or documents you needed for your *journey*, didn't have them with you, or failed to ensure that they were valid and correct
- You are denied check in or boarding on a *scheduled transport* service by a transport provider or any authority for any reason
- You didn't have a confirmed seat, booking, or reservation, including travelling on standby tickets
- Your financial circumstances prevented you from travelling
- Another person who's essential to your *journey* being able to travel but deciding they don't want to
- Your return *journey*, if you hadn't already paid for transport back to New Zealand when the *unexpected event* happened
- The error, default, or *financial collapse* of a service provider
- Currency rate fluctuations
- Commitments for work (including volunteer), study, sport or a leisure activity, including requests or requirements of employers, academic providers or organisers
- Delays and rescheduling where you can get full refunds or credits from a transport provider or any other source
- Payments for ceremonies or receptions, including weddings and cultural events
- An *epidemic* or *pandemic*, or the perceived threat of an *epidemic* or *pandemic*
- An act of *terrorism* or the perceived threat of *terrorism*
- Any amount that your service providers refund or provide credit for, including taxes
- Your *travel arrangements* being cancelled or changed due to a *cyber attack*
- Anything excluded under E. General exclusions – things we never cover (page 90)

D.3 Changes to your journey once you have left

The maximum amount we pay for all claims under this section is \$50,000 for each person.

The following sub limits also apply.

- For any claim under this section involving the *existing condition* of a *relevant person*, we pay up to \$2,500 for each person
- For any claim under [D.3.4 Delayed journey to a special event \(page 61\)](#), we pay up to an extra \$2,500 for each person

We subtract an *excess* from claims we pay under all benefits in this section.

D.3.1 Travel interruption

We cover you if an *unexpected event* interrupts your *journey* and you need to re-arrange your *travel arrangements*.

For each type of travel expense, we will pay you the higher of the following.

- The total value of your original unused prepaid costs, less any refund or credits you are eligible to receive
- The total value of your additional costs, less any refund or credits you are eligible to receive

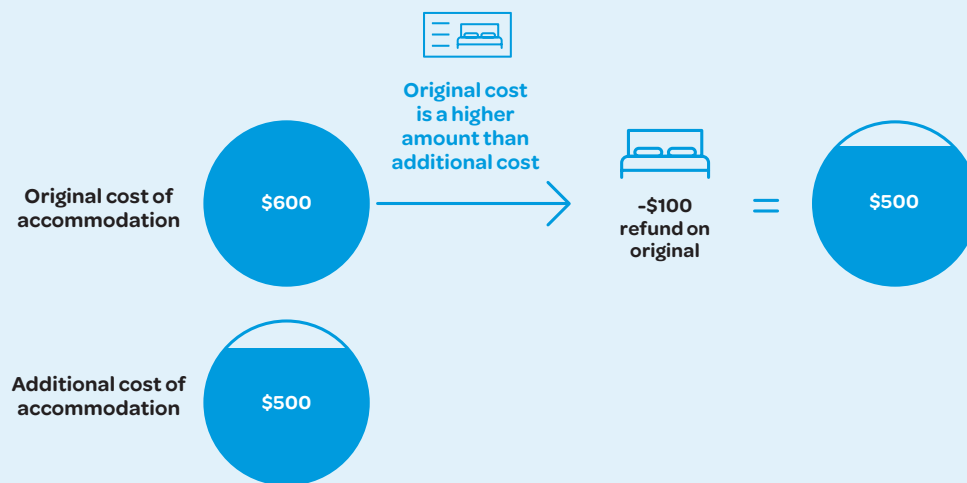

Your claim must meet the conditions of cover on [page 58](#).

We pay you up to \$30,000 for each person.

Example: Travel interruption during your journey

Before you begin your working overseas experience, you visit another destination on your journey, an *unexpected event* means you can't reach your next destination until two days after you were supposed to get there. Your airline changes your flight for free. However, you need to find new accommodation in your current destination, which costs \$500. You had paid \$600 for the two days accommodation in your next destination, which you don't use. This accommodation provider gives you a \$100 refund.

Your original unused prepaid costs are higher than your additional costs. This means you could claim \$500 – your original costs of \$600, less the \$100 refund. This would put you back to your original financial position.

**Example: Travel interruption at the end of your journey**

At the end of your journey, an *unexpected event* means you can't return to New Zealand until two days after you were supposed to arrive. Your airline changes your flight for free. However, you need to find new accommodation in your current destination, which costs \$600, and pay an extra \$50 for 2 days' airport parking for your vehicle.

This means you could claim \$650, which is your total additional unexpected cost. This would put you back to your original financial position.

Example: Prepaid costs versus additional costs

You've paid \$10,000 for a tour which includes accommodation, transport and meals. An *unexpected event* means you are delayed and need to cancel your tour which is non-refundable. While delayed, you incurred additional accommodation, meal and transport expenses totalling \$3,000.

We'll pay the higher value of either your original unused prepaid costs, or your additional costs, less any refunds you were eligible for.

In this case, your original unused prepaid costs are \$10,000, and your additional costs are \$3,000. You received no refund for the original unused prepaid costs. As the original unused prepaid cost is the higher amount, we will pay you \$10,000 for this event. This is because you were unable to use the original prepaid tour so the \$10,000 paid for the tour is considered your out-of-pocket cost.

**Conditions of cover**

We only cover claims relating to the first 30 days you are delayed after the *unexpected event*.

Everything under [D.2.2 Delayed journey to a special event \(page 52\)](#) also applies.

**What we won't cover**

We won't cover any claims, costs or losses directly or indirectly arising from, related to or associated with the following.

- Anything considered unreasonable. For example, when your airline offers you a free flight, but you decide to buy a different flight that gets you to your destination only a few hours before the free flight. However, we may cover these extra costs if they relate to a *special event* – see [D.2.2 Delayed journey to a special event \(page 52\)](#)
- Anything excluded under [D.3.6 Other losses we won't cover if you need to change your plans after you've left \(page 63\)](#)
- Anything excluded under [E. General exclusions – things we never cover \(page 90\)](#)

D.3.2 Resuming your journey

If you're required to return to New Zealand as a result of an *unexpected event* that directly relates to a *relevant person*, we'll cover your *travel arrangements* to resume your *journey*.

Your claim must meet the conditions of cover below.

We pay up to \$20,000 for each person.

We subtract an *excess* from claims we pay under this section.

Conditions of cover

We will only cover you if the following apply.

- You have travelled for less than 50% of your original *journey*, except if you are medically evacuated or repatriated by us under [D.1.1 Medical and evacuation \(page 38\)](#)
- You have not claimed for costs relating to the same *unexpected event* under any other benefit under [D.3 Changes to your journey once you have left \(page 56\)](#)

What we won't cover

We won't cover any claims, costs or losses directly or indirectly arising from, related to or associated with the following.

- Anything excluded under [D.3.6 Other losses we won't cover if you need to change your plans after you've left \(page 63\)](#)
- Anything excluded under [E. General exclusions – things we never cover \(page 90\)](#)

D.3.3 Cutting your journey short

We cover you if an *unexpected event* interrupts your *journey* so that you need to re-arrange your *travel arrangements* to return to New Zealand.

For each type of travel expense, we will pay you the higher of the following.

- The total value of your original unused prepaid costs, less any refund or credits you are eligible to receive
- The total value of your additional costs, less any refund or credits you are eligible to receive

Your claim must meet the conditions of cover on [page 61](#).

Example: Cutting your journey short

You've paid \$2,000 in accommodation (or rent) for four weeks. An *unexpected event* means you need to return to New Zealand early after two weeks. You cancel your accommodation for the remaining two weeks but don't receive a refund for your unused accommodation.

Your original unused prepaid accommodation costs is \$1,000. This means you can claim \$1,000 for your unused prepaid accommodation to put you back to your original financial position.

Here's another example: you've paid \$1,000 for return airfares, but due to an *unexpected event* you need to return to New Zealand early. Your original airline can't change your return flight, so you buy a new flight for \$700 with a new airline. Your original airline refunds you \$200 for your unused return ticket.

Your additional costs are higher than your original costs. This means you can claim \$500, which is your \$700 of additional cost of airfares, less the \$200 refund to put you back to your original financial position.

**Conditions of cover**

Everything under D.3.5 Conditions of cover for changes to your journey once you have left (page 63) applies.

**What we won't cover**

We won't cover any of the following.

- Any claims, costs or losses under this benefit that have been paid under D.1.13 Repatriation benefit (page 47)
- Anything excluded under D.3.6 Other losses we won't cover if you need to change your plans after you've left (page 63)
- Anything excluded under E. General exclusions – things we never cover (page 90)

D.3.4 Delayed journey to a special event

If you need to change your *travel arrangements* because of an *unexpected event* during your *journey*, we'll cover the extra costs to get you to your destination as quickly as possible so you can attend a *special event*.

Your claim won't be covered under D.3.1 Travel interruption (page 56) because the costs or losses are unreasonable.

For each type of travel expense, we will pay you the higher of the following.

- The total value of your original unused prepaid costs, less any refund or credits you are eligible to receive
- The total value of your additional costs, less any refund or credits you are eligible to receive

Your claim must meet the conditions of cover on page 62.

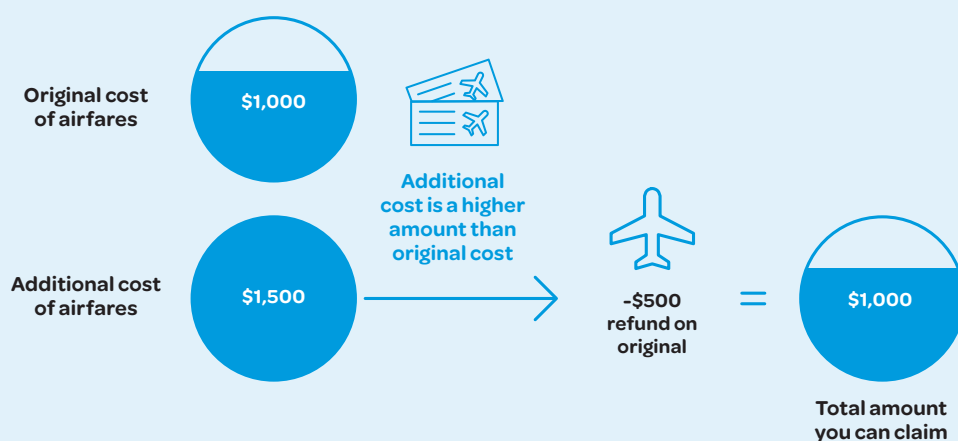

We pay you up to \$2,500 for each person.

Example: Delayed journey to a special event

You're already on your *journey* when the airline cancels the second leg of your flight. You've paid \$1,000 for this flight to get to a friend's wedding. The airline offers an alternative flight in two days' time at no additional cost. However, this means you would miss your friend's wedding.

You find flights on another airline that would get you there in time and at an additional cost of \$1,500. If you take this option, the original airline will only refund you \$500. Since you're travelling to a *special event*, we'll cover you up to \$2,500 towards the new flights which we wouldn't normally cover because the airline offered an alternative.

Your additional costs are higher than your original costs. This means you could claim \$1,000 – your additional costs of \$1,500, less your \$500 refund. This would put you back to your original financial position.

**Conditions of cover**

We only cover you if the event can't be delayed or rescheduled.

Everything under [D.3.5 Conditions of cover for changes to your journey once you have left \(page 63\)](#) also applies.

**What we won't cover**

We won't cover any of the following.

- Anything excluded under [D.3.6 Other losses we won't cover if you need to change your plans after you've left \(page 64\)](#)
- Anything excluded under [E. General exclusions – things we never cover \(page 90\)](#)

D.3.5 Conditions of cover for changes to your journey once you have left

The following conditions apply to all claims under this section.

- You can't claim for the same *unexpected event* more than once for each *journey*
- You can't change any destinations of your *journey*
- You can't claim under both D.2 Cancelling or changing your journey before you leave (page 49) and D.3 Changes to your journey once you have left (page 56) for the same *unexpected event*
- The *unexpected event* must directly affect you or a *relevant person*
- From any claim we pay you, we'll subtract all refunds (including taxes) and credits you can receive from third parties
- You must either send us proof of any refunds or credits you can get, or prove you can't get refunds or credits
- If you hadn't already paid for your return transport when the *unexpected event* happened, we'll subtract the price to get you back to New Zealand. The price will be for the original method of transport you used for your *journey*

If the claim involves a *relevant person*, the following conditions also apply.

- In claims that have arisen because of an *unexpected event* involving a *relevant person's* circumstances, we only cover the following *unexpected events*.
 - The *relevant person* dying
 - The *relevant person* being admitted to a public or private hospital for inpatient care as part of non-elective treatment, or a *doctor* recommending that they are
 - The *relevant person* being admitted to end-stage palliative care, or a *doctor* recommending that they are
 - The *relevant person* being *diagnosed* with a *terminal condition*, or a condition that requires radiotherapy or chemotherapy
- The *relevant person* must also not be over 85 years old before the *date your insurance starts*

D.3.6 Other losses we won't cover if you need to change your plans after you've left

What we won't cover

We won't cover any claims, costs or losses directly or indirectly arising from, related to or associated with the following.

- You decide you don't want to travel, you are disinclined to travel or you change your mind
- You started your *journey*, even though you knew you were on a waiting list for a medical procedure and could get a date that would clash with your *journey* dates
- You, or someone acting for you, didn't tell your service provider about a problem quickly enough, so you lost a deposit, were charged more, or your refund or credit amount was reduced
- Your failure to check in or board at the right time for a *scheduled transport* service
- Your failure to get the bookings, tickets, passport, visas, visa waivers, Electronic System for Travel Authorisation (ESTA) or documents you needed for your *journey*, didn't have them with you, or failed to ensure that they were valid and correct
- You are denied check in or boarding on a *scheduled transport* service for any reason
- You didn't have a confirmed seat, booking, or reservation, including travelling on standby tickets
- Your financial circumstances prevented you from continuing your *journey*
- Another person who's essential to your *journey* deciding they don't want to continue on your *journey*
- Your return *journey* if you hadn't already paid for transport to New Zealand when the *unexpected event* happened
- The error, default, or *financial collapse* of a service provider
- Currency rate fluctuations
- Commitments for work (including volunteer), study, sport or a leisure activity, including requests or requirements of employers, academic providers or organisers
- Delays and rescheduling where you can get refunds or credits from a transport provider or any other source
- Payments for ceremonies or receptions, including weddings and cultural events
- An *epidemic* or *pandemic*, or the perceived threat of an *epidemic* or *pandemic*
- An act of *terrorism* or the perceived threat of *terrorism*
- Any amount that your service providers refund or provide credit for, including taxes
- Your *travel arrangements* being cancelled or changed due to a *cyber attack*
- Anything excluded under [E. General exclusions – things we never cover \(page 90\)](#)

Public place

Any area which the public can access, whether they're allowed to or not. Public places include:

- Left in a place where someone could take it without your or a *relevant person's* knowledge

Your claim must meet the conditions of cover on [page 67](#).

We pay up to the sub limits in the following table.

How we pay claims for unspecified items

When we pay a claim for an *unspecified* item, at our option, we do one of the following.

- Pay you the cost of getting the item repaired
- Pay you the indemnity value of the item
- Give you a credit for the indemnity value at a retailer we choose

We work out the indemnity value of an item by subtracting the depreciation which the item has lost over time from the purchase price of the item.

> [To understand how we calculate depreciation, see Depreciation may apply to claims for your personal items, page 14.](#)

Conditions of cover

We only cover your claims for *unspecified* items if you meet the conditions below.

- proof that you own the item

We reserve the right to have the *specified* item independently valued at our cost. We would base any claim payment on this independent valuation.

How we pay claims for specified items

When we pay a claim for a *specified* item, at our option, we do one of the following.

- Pay you the cost of getting the item repaired
- Pay you the current value of the item per the valuation if the item is more than 12 months old – we won't apply depreciation

D.8 Rental vehicle excess

We pay the non-refundable excess if the vehicle you're renting is stolen or damaged because of an *unexpected event* during your *journey*.

Aa

This is not a replacement for rental vehicle insurance

Being insured for the rental vehicle excess does not mean you are covered for the total value of the vehicle, or the total cost of any damage done to it. You are only covered for the rental vehicle excess.

Examples of rental vehicle excess:

- Your rental vehicle has an excess of \$2,000 on the rental agreement. If the vehicle is damaged due to an *unexpected event*, and the total cost to repair the damage is \$10,000, the vehicle-rental company will charge you an excess of \$2,000. Therefore, you can claim \$2,000.
- Your rental vehicle has an excess of \$5,000 on the rental agreement. If the vehicle is damaged due to an *unexpected event*, and the total cost to repair the damage is \$800, the vehicle-rental company will charge you an excess of \$800. Therefore, you can claim \$800.

This benefit covers the excess that you need to pay to the licensed rental vehicle company if your rental vehicle is stolen or damaged.

Your claim must meet the conditions of cover on [page 84](#).

You can claim up to \$10,000 for each person.

We won't subtract our own excess from claims we pay under this section.

- You followed all terms of the vehicle's rental agreement. For example, we won't cover you if the person driving the rental vehicle is not a driver named on the rental vehicle agreement
- The driver at the time of the event is named on your *Certificate of Insurance*
- If the vehicle is stolen or damaged while unattended, we'll only cover you if the rental agreement is in the name of someone named on your *Certificate of Insurance*
